

Fuel Purchasing & Management

For a simple solution for managing business vehicle expenses, why not choose the use of a Fleet Card or Caltex StarCard to help you save money and manage your fuel, tyres and maintenance expenditure?

ACS Fleet has negotiated a discount supply rate for our clients.

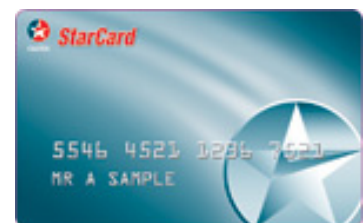

Fleet Card

- Acceptance by more than 6,000 multi-branded service stations. The extensive Merchant Network covers all major fuel brands – reducing frustration and inconvenience of having to locate a particular brand of fuel.
- Can be used at 9,000 mechanical repair centres, dealerships, tyre outlets, specialist repair businesses and panel shops. Whether you need to pay for vehicle maintenance, repairs, batteries, tyres, windscreens or car wash facilities, one Fleet Card is all you need.
- Access to purchase fuel at 2¢ off Contract Price at Shell service stations.
- Access to preferred rates & pre-arranged discounts at leading name repair and services centres and local independent garages.
- Reduce administration with clear & concise reporting. Purchases and odometer readings can be easily tracked and monitored monthly.

Caltex StarCard

- Acceptance at all Caltex, Caltex/Safeway and Ampol service stations - almost 2000 locations across Australia.
- Security protection via PIN. Daily and monthly dollar limits can be applied to card for further security.
- Purchases are limited to fuel and oil to control costs associated with the running of the vehicle.
- Access to purchase fuel at 3.3cpl off Pump Price on ULP at Caltex, Caltex Safeway or Ampol service stations.
- Monthly reporting on fuel usage assisting with cost control.
