

# Insurance for Missions Annual Travel Packages

## FACT SHEET

As specialists in the Accident & Health market, we are committed to developing products and delivering innovative solutions to meet emerging gaps in key market segments.

Our Corporate Travel policy is specifically designed to protect companies from many kinds of business travel expenses without many of the usual restrictions and exclusions placed on regular travel policies.

If your employees or your clients have employees who travel overseas or within Australia on business, Corporate Travel Insurance covers expenses for medical treatment, emergency medical evacuation, flight cancellations or lost luggage.

We remain one of the few insurers who offer cover for acts of terrorism.

### Policy Features

- 24 hour emergency assistance through AHI Assist telephone number Contact Us
- AHI Assist: provides emergency medical assistance to our clients including many medical evacuations to first world care every year.
